Dr. Tom Corr

President and Chief Executive Officer
Ontario Centres of Excellence (OCE).

Dr. Tom Corr is President and Chief Executive Officer of Ontario Centres of Excellence (OCE). Through industry-academic collaboration, OCE drives the commercialization of research across key market sectors in Ontario including ICT & Digital Media, Energy and Environment, Advanced Manufacturing, and Advanced Healthcare. Funded primarily by the Government of Ontario and also by the Government of Canada, OCE acts as a catalyst for innovative businesses to grow and achieve sustainable, commercial success and global competitiveness.

Dr. Corr has more than 30 years of entrepreneurial experience in the IT and venture capital sectors and also serves on the board of a number of organizations including Alberta Innovates Technology Futures (Vice-Chair), the Waterloo Research and Technology Park - Accelerator Centre and C-FER Technologies. He holds a Doctor of Business Administration degree from Brunel University/Henley Management College, a Masters of Business Administration degree from the University of Toronto, Advanced Postgraduate diploma in Management Consultancy from Henley Management College, and an ICD designation from the Institute of Corporate Directors.
