Request for Proposal (RFP)

Issue Date: Monday June 30th, 2014
Closing Date: Monday July 21st, 2014 @ 4:00pm
Overview

Ontario Centres of Excellence (OCE) Inc. drives the commercialization of cutting-edge research across key market sectors to build the economy of tomorrow and secure Ontario's global competitiveness. In doing this, OCE fosters the training and development of the next generation of innovators and entrepreneurs and is a key partner with Ontario's industry, universities, colleges, research hospitals, investors and governments. A champion of leading-edge technologies, best practices and research, Ontario Centres of Excellence invests in sectors such as advanced health, digital media and information and communication technologies, advanced manufacturing and materials, and cleantech including energy, environment and water. OCE is a key partner in delivering Ontario's Innovation Agenda as a member of the province’s Ontario Network of Entrepreneurs (ONE). Funded by the Government of Ontario, the ONE is made up of regional and sector-focused organizations and helps Ontario-based entrepreneurs rapidly grow their company and create jobs.

For more information, please visit our web site at www.oce-ontario.org.

Discovery is Canada's leading innovation-to-commercialization conference, showcase and tradeshow. Hosted by the Ontario Centres of Excellence (OCE), Discovery brings together key players from industry, academia, government and the investment community as well as entrepreneurs, students and international representatives to pursue collaboration and business opportunities, meet employers and source talent.

Gathering over 2,600 attendees and more than 420 exhibitors in 2014, Discovery is a showcase of leading-edge technologies, best practices and research from sectors including cleantech, (energy, environment and water), health, manufacturing, aerospace, agri-food, mining, and digital media/mobile/ICT.

Renowned keynote speakers and panels ignite discussion, knowledge-sharing and new perspectives. Discovery facilitates the exchange of ideas and encourages new ways to collaborate and push the boundaries of research and innovation through to demonstration, development and commercialization. For more information, please visit the Discovery website at www.ocediscovery.com.
Discovery 2015-2016 Conference Requirements

The objective of this multi-year Request for Proposal (RFP) is to solicit proposals to provide Event Management and Logistic services for OCE’s annual Discovery Conference in 2015 and 2016. Discovery 2015 will be held April 27th and 28th on the 800 level of the Metro Toronto Convention Centre in the South Building. Discovery 2016 will be held in the same location May 9th and 10th.

Details of the services required are outlined below but are subject to change. The 2014 conference agenda and floor plan are attached for your reference.

Issuance of this RFP does not commit Ontario Centres of Excellence to pay any cost incurred in the preparation and submission of a response, or to procure a contract for any services, software, and/or equipment.

Conference Objectives

- Build profile for OCE and its stakeholders towards forming new partnerships with industry by maximizing networking opportunities
- Build profile for OCE and its stakeholders with new sources of funding
- Provide a forum for collaboration – exchanging new ideas and critical information between government, researchers, academia, industry, entrepreneurs, students and investors
- Showcase Ontario’s research and technologies, including those currently being developed with OCE support, to a diverse range of receptors and potential partners including small, medium and large companies, governments, foreign markets, academia and media towards supporting Ontario’s industrial growth, expansion of markets and the creation of Ontario-based employment in sectors OCE serves
- Provide forum for students to enhance their knowledge of career opportunities in key sectors and for employers to meet with the highly qualified talent within Ontario’s post-secondary institutions.
- Produce opportunities to showcase entrepreneurs to investors, other companies and academia

Our goal each year is to find new and better ways to meet the needs of our participants, increase exhibitor and attendee ROI, provide unique content to stimulate ideas and discussion, improve delivery of our event and maintain Discovery as the “must-attend” event in the innovation space.
