The following information should be stated clearly in language understandable to a general technical audience. Avoid using terminology only understood by specialists in the proposed technology.

1: PROBLEM AND PROPOSED SOLUTION (500 WORD LIMIT)

- A.** What is the specific smart mobility challenge (“Problem Statement”) to be addressed in this project? Please describe how this challenge affects the Anchor Companies (ACs) operating in Ontario.
- B.** What is the technical innovation to be developed, and what is the current status of the technology?
- C.** How will it quantitatively and qualitatively address the problem and/or challenge identified by the Anchor Companies (ACs)?
- D.** What are the comparative advantages of the proposed solution relative to existing practices? Please elaborate using evidence from previous trials, if available.

- A.** (Type Here)
- B.** (Type Here)
- C.** (Type Here)
- D.** (Type Here)

2: PROJECT OBJECTIVE, COLLABORATION AND TECHNOLOGY (1000 WORD LIMIT)

- A.** Describe the overall objective of the project, including the technical and commercial goals.
- B.** For each of the Ontario and Israeli SME, describe the overall technological R&D to be undertaken during the project, including key milestones, deliverables and timelines. Also highlight any unique technology that will be employed.
- C.** Describe the expertise, skills and/or resources required from the Ontario and Israeli SME to successfully execute this project. Describe the capability of the current project team members, and any requirements for additional skills/resources.
- D.** Provide a clear statement of who owns and/or has unencumbered rights to the proposed IP required to successfully execute this project.

- A. (Type Here)
- B. (Type Here)
- C. (Type Here)
- D. (Type Here)

3: BENEFITS TO ONTARIO AND ISRAEL (500 WORD LIMIT)

- A. As best as you can, outline the strategic relevance of the proposed work to both Ontario and Israel from both technical and commercial perspectives.
 - B. Outline key expected economic benefits (jobs created, follow-on investment, company growth, etc.).
-
- A. (Type Here)
 - B. (Type Here)
